

- 1** Flame textured granite paving
Mixture of mottled grey tones with concentration of darker units adjacent to feature paving strip as indicated
- 2** Feature granite strip running in flowing lines through paving along Living Bridge
Potential for granite strip to accommodate text or graphics as part of wayfinding strategy - to be detailed at the next stage
- 3** Cropped granite setts
Dark grey colour
Units laid 25mm below main paving level
- 4** Drainage gullies at intervals along recessed channel

Note:
Where paving units run into drainage channel; no paving units to be less than 35mm width.
Special wide units to be used as indicated in detail
